Multi+ 24/3000/70-50

Combo Includes

Deep Cycle Batteries
100Ah x 8

Battery Cabinet x 1 for:
100Ah x 8

Distribution Boards AC

Complete solution

Uninterrupted AC power (UPS function)
In the event of a grid failure, or when shore or generator power is disconnected, the inverter within the Multi is automatically activated and takes over the supply to the connected loads. This happens so fast (less than 20 milliseconds) that computers and other electronic equipment will continue to operate without disruption.

2 BLUE BOX

Back-up

3kVA inverter

24V 400Ah batteries
8 x 100Ah

Back-up solutions ONLY

100Ah @ 20hour-rate to 1.8V per cell @ 25°C
